COMMUNITY NEWSLETTER OF PARKRAND TENNIS COMPLEX

TATA MA CHANCE!

Parkrand Tennis Complex made submission to the National Lottery Distribution Trust Fund for funding to maintain and upgrade facilities. Our application was successful and we received a grant for 2012/13 of R200 000. This money will be utilised in securing the Tennis Complex, re-fencing of all courts and the resurfacing of hopefully 3 or 4 courts.

We are most grateful for this funding as we receive no assistance from the municipality, GETA or Tennis SA and rely purely on membership fees to maintain and upgrade facilities, so we encourage you all to please pay fees timeously.

In addition we have a number of projects that we will launch throughout the year to attract additional funding from corporate sponsorship and CSI initiatives.

Additional fundraising projects have been submitted and we will endeavor to roll these out throughout the year. We welcome your participation and support with these events.

ANNUAL GENERAL MEETING

We are again hosting our Annual General Meeting on Saturday 4th May 2013 at 12h00. The meeting will be held in the club house and followed by an afternoon of social tennis fun.

We stress the importance of your attendance at this meeting. We need to have your feedback, comments and suggestions so we can address any issues that may arise. We are also required by our club constitution to elect a new committee. The current committee have all agreed to continue in their current positions, but we need your vote on these or suggestions for new members. Forms have been sent to all members and we appreciate your prompt response.

We also take this opportunity to thank the current committee for their service and hard work in the past year in ensuring the club runs smoothly and fixtures and events supported. The committee receive no payment for their time and work and we are greatly appreciative to them for this service.

Any members who have issues to be aired at the AGM please notify Owen at parkrandtennis@signatures.za.net so these can be included on the agenda.
